

### Business, Engineering, and Mathematics Students:

If you are considering going into operations research/management science or a related field within engineering, information, decision, mathematical, and social sciences, **why not consider joining INFORMS?**

INFORMS, The Institute for Operations Research and the Management Sciences, specializes in giving students like you the *power tools* you need for a successful OR/MS career. **Some of the benefits we offer are:**

#### Quick, convenient **RESEARCH**

- **Scholarly Journals** provide students with easy access to the latest OR/MS application and theories in both print and electronic formats. Students receive significant subscription discounts. <http://www.informs.org/Pubs>
- **OR/MS Today** gives students news stories, feature articles, case studies, software reviews and classified advertisements, and is FREE with membership. <http://www.informs.org/Pubs>
- **Affiliated and Related Publications** cover specialized areas of OR/MS theory and practice, and OR/MS practices around the globe, and are available at substantial discounts to student members. Web page forthcoming.

#### Enjoyable, extensive **NETWORKING OPPORTUNITIES**

- The **Doctoral Colloquium** provides a unique opportunity for students to network with other students as well as professional OR/MS practitioners and academics. <http://doctoralcolloquium.informs.org>
- **Meetings** are richly varied in scope, location, and size. Students receive admissions to all meetings at greatly discounted prices. <http://www.informs.org/Conf>
- **Student Chapters** have been established at forty-six institutions in the U.S.. There are also 35 sections, societies, and fora devoted to specific areas of OR/MS study and practice. Students receive one free section, society or fora with membership, and significant discounts on all additional subdivision dues. <http://www.informs.org/Subdiv>

#### Efficient, specialized **CAREER DEVELOPMENT**

- **Career Profiles in OR/MS** provides articles on the wide variety of careers in OR/MS, as described first hand by the professionals who work in them. <http://www.informs.org/Profiles>
- Our **Job Placement Service** is a fully web-enabled career service with corresponding on-site services at INFORMS national meetings. The service is FREE to all student members. <http://www.informs.org/JPS>
